

NAXOS

Naxos is a typical Cycladic island where tourism has been growing up continuously. It can be considered as an ideal resort for quiet holidays on the beaches. In Hora, the capital, you can enjoy a rich and exciting nightlife. There is plenty of evidence of its long history and the remains left behind by its conquerors and myths surrounding Dionysus and Semeli, Theseus and Ariadne. The historical monuments help the visitor to understand the achievements made by the people of Naxos throughout the centuries and to admire the way the Byzantine castle was designed and the fine architecture of the Venetian towers. One of the first sights on arriving in Naxos is the Portara, which with its stunning splendor seems like an entrance into another world, ready to unveil itself.
