Our Financial Promise to You

Financial strength and careful management have kept us at the forefront of the holiday business since 1972. All our quality accommodation is licensed and independently approved, and we do not take risks that could leave our customers out of pocket. As the only family run operator of our type, we offer customers financial safety, reliability, and a unique holiday experience. We are a 100% financially protected, independent travel company and are licensed by the Civil Aviation Authority, conforming to the bonding requirements of ABTA. All our air holidays and all the flights in this brochure are ATOL Protected by the Civil Aviation Authority.

Award-Winning

Cyplon Holidays' excellence has been recognised with multiple accolades and prestigious travel industry awards since we first opened our doors in 1972. In recent years we have been recognised as the UK's Specialist Operator of the Year for 2018 at the Travel Trade Gazette (TTG) Trade Awards and rewarded at the annual Travel Bulletin Star Awards for being the UK's Leading Tour Operator to the Mediterranean every year between 2012 and 2015 and also earning their title of Leading Tour Operator for Family Holidays in both 2017 and 2022.

Tailor-Made Experts

As pioneers of "Tailor made" holidays we take our responsibility of finding you the "perfect fit" very seriously. Our award-winning team love putting together beautifully hand-crafted, complex itineraries, and always strive to make our customers' holidays unique and bespoke, each time they travel. From twin or multi-centres, to tours and excursions, cruises etc. - you name it and our team will find you the perfect ingredients to blend with your hotel stays in any of our fabulous destinations.

We are AITO Members

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

Flights from Regional Airports

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, we can meet all of your requirements, offering you all available flights from any Regional UK Airports. Pre-booked upgrade services and airport lounge-passes can also be arranged, if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no-frills airlines) can also be arranged with our Reservations Staff.

Private Transfers

When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. Child and Baby Seats for transfers must be booked in advance and are at an extra cost.

Cyplon Representatives

When you travel abroad, our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally, we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your resort & its surroundings. You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

Our Holiday Prices

Air fares, hotel rates and other holiday costs fluctuate throughout the year, as do special offers which are changed and updated frequently. In order to avoid any pricing inaccuracies, expired offers and general confusion, we do not display detailed price panels in our brochures as these will change after the brochure has gone to print. Our quoted prices will therefore always be more accurate and more competitive. To obtain a detailed and up to date quotation of your holiday cost, kindly contact your local travel agent or call our friendly reservations team on 020 8340 7612, or visit our website www.cyplon.co.uk for up to date special offers, prices and information.

Sensible Price-Matching Policy

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you unless we deem the price of our competitor to be "not sensible" due to a pricing error. See website for more details.

Loyalty

To reward our loyal customers, we are delighted to offer a £50 reduction on your next holiday with us, to any of our destinations featured in our brochures. Please note that this discount is only redeemable when booking again via the same Travel Agent.

Holidays by**DESIGN**

As pioneers of 'Tailor made' holidays, Cyplon Holidays can claim with some pride to have been tailoring holidays before the term was even coined by the travel industry. Our by**DESIGN** concept aims not only to celebrate the beauty of individuality when selecting a holiday but also to combat the growing trend of mass market holidays.

Finding The Perfect Fit

We strive to match you with the perfect resort. Use our holiday type descriptions to reflect on which holiday concept suits you best. All the hotels in this brochure list the concepts for which they fulfil - making your holiday selection easier and less stressful.

No Restrictions

Cyplon Holidays will not restrict you unlike some other big travel operators. by**DESIGN** not only allows you a great deal of flexibility when choosing your destination but we allow you to travel on ANY date, ANY day, ANY airline, from ANY airport, for ANY duration. We also allow you to fine-tune smaller details of your travel, such as VIP lounge passes and even in-flight meals etc.

Luxury Holidays

For our more discerning customers who are looking for a little indulgence, these hotels will guarantee that extra special luxury holiday, where quality accommodation, top class service and fine dining are the most important factors.

Family Holidays

Spending quality time with the family is one of the most important things in life and something that Cyplon Holidays places great emphasis on. We have hand-picked the hotels that will provide you with the most suitable environment for some special bonding time. Not forgetting a hotel that allows the kids to play and have fun in an exciting, yet safe, environment.

Beach Holidays

Want the sun, sea and sand? Are sunbathing and relaxation your key ingredients? Look no further than our beach holidays. These hotels will be in close proximity to the wonderful ocean shore if not right next to it - paradise!

All Inclusive Holidays

Our all inclusive holidays offer a fantastic way to efficiently plan and budget a trip, especially for those with larger families or groups. We have selected properties that offer a fabulous array of dining opportunities, as well as top-notch recreational facilities and grounds, so that you get the most out of your all inclusive getaway.

Spa Holidays

Gorgeous hotels, with fantastic spa or health facilities - what more could you want from the ultimate luxury holiday? Book specialist treatments and enjoy relaxing massages. Rest your mind, body and soul on holiday and come home refreshed and revitalised.

Golf Holidays

What better place is there to enjoy the game that you love than the sun-drenched countries along the Mediterranean and Aegean Seas? Here at Cyplon Holidays, we have gathered only the most elegant resorts within close proximity of the world-class courses in this region.

Romantic Holidays

Looking for spectacular scenery, sumptuous dining and that extra je ne sais quoi? These hotels will help you find that connection with a loved one. Whilst not necessarily an adult-only environment, these hotels will often have a separate adults pool area. At the very least it will have all the other necessary ingredients to make your heart flutter.

Adult Only Holidays

Relax in tranquillity - Adult Only hotels are available for a more intimate ambience. Perfect for those who are looking to spend some quality time with their partners and without all the hustle and bustle.

Boutique Holidays

Looking for something luxurious, intimate and perhaps a bit quirky and different? Try one of our beautiful boutique hotels.

Self Catering & Villa Holidays

If you are looking for privacy then we thoroughly recommend staying in a magnificent holiday villa or self-catering apartment. Take advantage of the local produce and become a master chef abroad!

City Break Holidays

Looking for a hotel in the heart of town? Try one of our City break hotels for convenience and a bit of cosmopolitan style.

Have you ever dreamed of sailing the Aegean sea on your own private yacht, visiting the islands that you have chosen, in the company of your own family and friends? Chartering a yacht gives you the freedom to have this once in a lifetime experience on a trip that is specifically designed around your desires.

We can help build and deliver your sailing fantasy in the Greek islands, one of the most beautiful sets of islands in the world – islands that completely lend themselves to the idea of chartering a yacht and just exploring. Discover small ports, quaint villages, deserted beaches and true Greek culture all the while enjoying swimming in some of the most amazing waters you can imagine along the way.

Choose your base
When designing your dream charter experience the first factor is deciding which islands or set of islands you would like to visit. This will determine your starting point and base.

Choose your duration
From there you can choose your duration in increments of 7 nights, i.e. 7/14/21 nights depending how long you wish to be at sea and how many islands you would like to visit.

Choose your vessel
Finally you have the choice between a catamaran or a monohull vessel. Then we can help you craft a detailed sailing itinerary as well as flights and ground arrangements before and after your sailing adventure.

A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

3. PAYING FOR YOUR HOLIDAY
Any prices shown in our brochure are for guidance only. We adopt a completely fluid method of pricing our holidays (i.e. our prices may change second-by-second to reflect ever-changing airfares, hotel rates, etc.). Additionally, special offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at the time of booking. An additional non-refundable deposit will be required for a wedding, cruise, yacht charter, tour or certain hotels & it may differ for a group booking, which you will be advised of at the time of booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure, full payment will be required. If the deposit and/or balance are not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

4. IF YOU CANCEL YOUR HOLIDAY
You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

14 days or less	100% of holiday cost or deposit if greater

The above charges may differ for group bookings, as well as special promotional offers and certain flight, hotel, tour, cruise, yacht charter and wedding bookings – you will be advised at the time of booking. Certain suppliers may have different cancellation terms in which case they will supersede our standard cancellation terms and these will be notified at the time of booking.

Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign, Commonwealth & Development Office.

5. IF YOU CHANGE YOUR BOOKING
If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £50 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore If your booking changes because someone in your party cancels, this may increase the overall cost of the holiday as it may be necessary to levy under- occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING
(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).In the event a refund is paid to you, we will:

1. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) Changes to the price

We can change your holiday price after you've booked, only in certain circumstances: Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. If your holiday cost has increased due to the above, we will contact you and ask you to make payment to us. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel you must do so within the time period shown on your final invoice. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the time-scale given your booking may be cancelled.

• If you choose to accept a refund:

We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation: if we cancel or make a major change to your booking, the compensation we offer does not exclude you from claiming more if you are entitled to do so.

56–29 days	£10

7. OUR LIABILITY TO YOU
You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, and this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable; or unavoidable and extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; & b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. Under Air Passenger Rights Law you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

8. PROTECTING YOUR MONEY
We provide financial protection for our package holidays by way of our Air Travel Organiser's Licence number 0891 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be reassigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We are a Member of ABTA, membership number V5573. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. 10. COMPLAINTS
If you have a complaint about any of the services included in your holiday, you must inform our resort representative & the relevant supplier (e.g. your hotelier) without undue delay who will endeavour to put things right.

If it is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Services Department at customerrelations@cyplon.co.uk giving your booking reference & all other relevant information. Please keep your letter concise & to the point. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay & complete a report form whilst in resort. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate & rectify your complaint whilst you were in resort & this may affect your rights under this contract. Please also see clause 9 above on ABTA.

13. EXCURSIONS
Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour & not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

14. TRAVEL AGENTS
All monies you pay to the travel agent are held by him on behalf & for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is & continues to be held on behalf of & for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

In such circumstances no refunds or compensation will be paid to you. Civil or criminal proceedings may be instigated. You accept responsibility for the proper conduct of all members of your party during your holiday. We reserve the right at any time to terminate the stay of any party member(s) whose behaviour is such, in the reasonable opinion of the accommodation provider or us, as to cause or to be likely to cause danger, upset or distress to anyone else or damage to property. Full cancellation charges will then apply and no refund will be given. Furthermore, we shall be under no obligation whatsoever to pay compensation or meet any costs or expenses (including but not limited to alternative accommodation) you may occur as a result of your stay being terminated. If you cause damage to the accommodation in which you are staying, you must fully reimburse the accommodation provider concerned for the cost of the damage before the end of your stay if the cost has been established by then or as soon as it has been established if later.
